EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael W. Maddox on July 13, 2005.

The application has been amended as follows:

In the Claims:

Claims 12-17 are cancelled.

2. The examiner has made this amendment in response to applicant's election without traverse, filed May 27, 2005, of claims 1-11 as result of the restriction requirement mailed on January 24, 2005.

3. The following is an examiner's statement of reasons for allowance: Claims 1-11 are drawn to a golf club cleaning system. It is the examiner's opinion that the art of record considered as a whole, alone or in combination, neither anticipates nor renders obvious the means for the rectilinear movement of the nozzle assembly together in combination with the rest of the limitations in the independent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David B. Thomas whose telephone number is (571) 272-4497. The examiner can normally be reached on 7-4 M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Joseph J. Hail can be reached on (571) 272-4485. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
